Take One Pain Pill, then—Take It Easy.

For Neuralgia, nothing is better than Dr. Miles' Anti-Pain Pills

Used by thousands for a generation

Those who have suffered from neuralgic pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. They have relieved sufferers for so many years that they have become a household necessity.

"I have taken Dr. Miles' Anti-Pain pills for five years and they are the only thing that does me any good. They have relieved neuralgia in my head in fifteen minutes. I have also taken them for rheumatism, headache, pain in the back, toothache, earache and pains in the hands and limbs. I have found nothing to equal them and they are all that is claimed for them."

School Notes

SCHOOL NOTES.

The second report from the various rooms shows an enrollment of 1056, with 929 in actual attendance. The high school has an enrollment of 108, with 101 in actual attendance.

Dr. G. W. Wadsworth addressed the high school last Wednesday afternoon. Dr. Wadsworth was a former president of Occidental college and is now in charge of eleven southwestern states in the interests of prohibition. His headquarters are in Los Angeles.

Mr. A. B. Stroup and Mr. N. W. Benning, both of Albuquerque, addressing the departmental school and the West Side school last Monday pointing out the wisdom of keeping awake and getting others awake for the election next Tuesday.

Night School opened last Monday night with a good attendance. Not more than six more could be accommodated. The registration fee is ten dollars, the balance of the tuition to be paid at the beginning of the third week.

Let The News do your job work

of the twenty weeks course. The school is open from seven to nine on Monday, Wednesday and Friday nights. Anyone may attend except day school pupils. If there are as many as five young men who desire to take mechanical drawing a class will be organized under the direction of Mr. Robinson of the manual training department. Mr. Robinson has had special training along this line and has a number of excellent drawings of his own make.

The Tri-Alpha society had an excellent program last Friday and deserved a larger attendance of parents and friends. In a contest for points this society defeated the Sesame society in a football game by a top heavy score. In former events the Sesame society has two points.

CARD OF THANKS.

We wish to thank the friends and neighbors who were so kind during the illness of our mother who died last week. Your words of sympathy have helped us to bear our sorrow.

Mr. and Mrs. Fred Gates,
Mr. and Mrs. Sam Gates.

A New Attainment In Talking Machine Quality

The first object of the builders of the Playerphone was to attain a higher quality of tone than other machines. The next was to create a finer art in design and finish. And the third was to build them at a price within the reach of all music-lovers.

We ask you to pass your critical opinion upon the beauty and art of the cabinet—to listen to the marvelous richness and quality of the tone. It is incomparably true to the original.

No other instrument has yet approached the excellence of the Playerphone. Pass judgment upon it yourself.

Playerphone

A Master Stroke In Value Giving

Judge the Playerphone from the standpoint of quality and beauty—then inquire the price. You'll be astonished when you learn that you may own one at a fourth to a third less than an inferior instrument will cost you.

From \$50 to \$200

Seven models to choose from; all larger, finer and with the superb Playerphone qualities, than any similar instrument on the market. Many unusual features, such as violin-wood tone chamber, automatic catch on cover arm, etc.

Five General Topics for Educators.

Santa Fe.—Five general topics, all correlated, will be presented and discussed at the meetings of the Educational Council of the New Mexico State Teachers' Association on Saturday, November 24th. The council consists of six members at large and three representatives from each section, and several special representatives, making about seventy members altogether. It is the council that threshes out questions of educational policy.
